LOGLINE

Police officer Camila, criminal prosecutor Fátima, and police detective Ángel, will have an encounter with a bloodthirsty female figure, who is here to play a wicked game with them.

SYNOPSIS

Police officer Camila, criminal prosecutor Fátima, and police detective Ángel, face extremely dangerous situations, gruesome murder cases, evil criminals. During an operation in a suburban area, they have an encounter with a sinister female figure in a suicide-by-immolation ritual. This bloodthirsty being, more powerful than death itself, is here to play with them a wicked game.

DIRECTOR'S STATEMENT

The greatest trick the Devil ever pulled was convincing the world he didn't exist, and shadows are hunting us, evil beings exist among us. People we love, can become completely unfamiliar, and love can drag us directly to hell. The only way to stop it, is being able to recognize the Devil, and face it... avoiding it is impossible.
