SYNOPSIS:

When average guy George Jordan's (**Tommy Kijas**) life is turned upside down by a viral video shot by some investigative news reporters (**Josh Zuckerman, Sujata Day, Jeremy D. Howard**), all of his friends and family turn their backs on him. His parents (**Googy Gress, Jeanne Taylor**) and grandfather (**Richard Riehle**) disown him, his girlfriend (**Jenna Willis**) breaks up with him, and his job fires him. The local news anchor, Suzanne Winters (**Krista Allen**), gives him a chance to explain himself on the air but that doesn't go according to plan either. Was she really trying to help him or is she working against him? Now, he must figure out a way to prove he was slandered and restore the life he lost. Perhaps some of Suzanne's disgruntled coworkers (**Craig Frank, Andrew Caldwell**) can help. There's only one way to find out!
